

Community Coding, now for credit!

Tue & Thu 2-4pm THMA 116

Same: Students, staff, faculty, and the public are invited to join our Community Coding sessions. Bring your computer, coding projects, and your questions to this open working environment.

New: Commit to studying 1 hr. per week for your (not necessarily CS) programming course and earn credit. Enroll in MATH 290-02 (5854), a 1 unit credit/no-credit course. Credit is earned by attending at least 10 times.

Sponsored by the CSUC Data Science Initiative. Learn more at datascience.csuchico.edu
